Hello Cougar Families!

Below is a list of supplies and dates that will help your student to be well prepared for a successful academic year. We want to support a balanced (paper/digital) format, our AVID program, and are consciously trying to control your costs. The list below is for all students in all grade levels.

Individual teachers/teams and elective courses may request additional items for your student. These supplies will be addressed at open house or during the first week of school. Please label large items with your child's first and last name.
